# CHAIRMAN'S REPORT

The agreed aim of the Council is to “work with residents and their organisations to ensure an active, lively and successful future for the communities of Pontyclun.’ During the past year the Community Council has achieved a great deal in support of this aim, and I thank all those residents, Councillors and council staff who have worked together to make Pontyclun a better place.

The Council has agreed a number of strategic objectives and this Annual Report will refer to our activities in support of these objectives.

## **Pontyclun Community Council will promote the well-being of the residents and develop initiatives that will foster community cohesion and social inclusion through social and cultural activities.**

Cllr Margaret Griffiths convenes the working group tasked with achieving this objective. The range of activities created and supported by this group of Councillors during the past year has been remarkable.

Last May Pontyclun’s first ‘Picnic in the Park’ took place. On a beautiful sunny day hundreds of residents came together to enjoy each other’s company in Pontyclun’s recently created Park. We are grateful to the Community Garden Group of volunteers and the local Environment Group who were prominent in the picnic activities. Councillor Carole Willis was a remarkable organiser of children’s games.

In June the Council organised its first Walking Festival in partnership with the local Ramblers Association. Our Clerk, Julius Roszkowski, brought this Festival together.

Last November the Council organised a series of events to commemorate the achievement of Peace in 1918. The events included:

- Children’s choirs and a public lecture at Y Pant School
- An Afternoon Tea at Café 50
- A lunch of 1918 recipes organised with the U3A
- A walk through Pontyclun of 1918 with local historian Edgeley Thomas
- An exhibition of 1918 prints at Giles Gallery and Pontyclun Library
- An evening of music and poems with local choirs and the local folk club organised by Councillor Mike Davies

Last December the Council worked with local Macmillan Fundraising Committee to organise the Christmas Festival at the Athletic Club which coincides with the switching on of the Christmas Lights. We thank the Macmillan Committee for organising the Christmas Market along with the local choirs and musicians who provided the music - including the rock band of Councillor Martin Ashford.

Café 50 is provided by the Community Council and continues to be a focal point for older people in our community. As well as providing affordable cooked lunches, it now hosts a wide range of social activities during most mornings, afternoons and evenings. Whilst the activities are run by volunteers, they are well supported by our staff, notably the Café 50 Coordinator Tara Davies, and council members, notably Councillor Gwyn Jackson who organises the weekly quiz. Café 50 works in a close partnership with the Pontyclun University of the Third Age which is able to use the Café 50 space for the wide range of its learning groups. Café 50 is supported by local organisations and businesses including the Community Shop, Full Stop Law and Leeke's.

Pontyclun is distinguished by the strength of our community, the willingness of so many to contribute and support each other. The Community Council works best when it supports the support that we freely give each other in our shared spirit of social solidarity.

## **Pontyclun Community Council will take action with other agencies to improve the economic well-being of the residents, community, services and businesses**

Cllr Gwyn Jackson convenes the working group to recommend actions which support this objective. The working group identified the importance of encouraging visitors to Pontyclun as a means of developing the local economy. To this end it has contributed to plans for the Walking Festival, the Christmas Festival and Picnic in the Park. The local economy requires a town centre which is attractive and vibrant. The Council's investment in summer flowers and the Christmas lights is an important means of supporting local business.

Following extensive consultation with local schools and local residents this Working Group recommended proposals to RCT Council and the Welsh Government to create safer walking routes in the centre of Pontyclun. As a result, there will be investment in the next year to create a 20-mph zone in Pontyclun Town Centre, more dropped kerbs and more pedestrian islands along our main roads.

Following meetings with residents, organised by RCT Councillor Margaret Griffiths, during the next year the Community Council will be submitting proposals for greater traffic safety in Groes Faen and Miskin.

During the last year a partnership between the Community Council and RCT Council has resulted in extra parking places in front of the Rugby Club in the town centre.

The Community Council has pressed RCT Council and Network Rail for an extension of the car park at the Railway Station. A technical feasibility study has been completed and it is hoped that work on the extension will begin in the next year.

The Council has been petitioning the Welsh Government and Transport for Wales for extra train capacity at Pontyclun. During the next year Transport for Wales has promised that there will be a 40% increase in the number of seats as larger carriages are provided. The Community Council continues to make the case for increased train frequency.

## **Pontyclun Community Council will take action to work with other organisations to improve the physical environment of the community**

Cllr Karan Lane is the energetic and enthusiastic convenor of the working group that supports this objective.

The councillors work closely in support of the volunteers in the Pontyclun Environment Group. As part of the Pontyclun Spring Clean in April 2019, 38 volunteers and members of the Pontyclun Environment Group, including 6 community Councillors, spent the weekend collecting litter left in various parts of Pontyclun, Miskin and Hendy. In total 85 bags were filled with rubbish. Our thanks and congratulations go to every volunteer, the young and less young.

This is the second year when the Environment Group has organised its Spring Clean. Whilst a lot of rubbish was collected, Pontyclun was noticeably cleaner than last year. As a community we are indebted to the walkers and dog walkers who collect litter day in and day out. We have benefited from a number of young school children who have been collecting litter every weekend as part of their Duke of Edinburgh award. Environment Group members have adopted 'black spots' and do regular litter cleans.

Darren and Ray, the Community Council staff, litter pick on our public rights of way and in Pontyclun Park. RCT staff litter pick each week in the shopping areas.

When we keep our community clean, we feel better. We are more likely to go out and socialise. Our health improves. We attract more visitors and local businesses benefit. It is no small matter.

The Community Council is also pleased to work in support of the Community Garden volunteers who provide a wonderful facility in Pontyclun Park - beds of flowers and vegetable which can be freely picked by any visitor to the Park.

## **Pontyclun Community Council will administer the Council and its activities to ensure that residents get good value from the Council**

The Administration Working Group, convened by the Cllr Paul Griffiths, was appointed to make recommendations to the Council on matters relating to the administration financing of the Council. Due to increases in employment and energy costs the Council has agreed to increase its annual budget for 2019/20 from £113,410 to £118,480. The average cost to a household for the Community Council will increase from £32.50 to £34.20. Our expenditure will include the provision of Pontyclun Park, Café 50, public toilets, the car park, Ivor woods, 24 miles of footpaths, summer flowers, Christmas lights, grants to local groups, summer and Christmas festivals. Our full budget can be found on [www.pontyclun.net](http://www.pontyclun.net). The Council increased its precept reluctantly, but it was of the view that its services represent good value for money and were worth preserving. The Council has been commended for its financial management by its external auditors and credit goes to the Administrator, Karen James, and the Clerk, Julius Roszkowski.

The Council has seven members of staff, six of whom are part-time, and it benefits from the commitment and wide range of skills that they bring to the organisation.

Pontyclun is a successful community with a vibrant town centre serving the settlements of Groes Faen, Miskin, Mwyndy, Hendy, Brynsadler and Talygarn. The success is achieved through the contributions of local residents, local groups and businesses. I believe that the Community Council plays its part through the support it gives others.
