

Cyngor Cymuned Pontyclun Community Council

“Pontyclun Community Council will work with residents and their organisations to ensure an active, lively and successful future for the communities of Pontyclun.”

Application for Grant

We welcome applications for grant funding primarily from community groups in Pontyclun, Miskin and Groesfaen.

The objectives of the Council are:

1. To encourage the participation of residents in community activities
2. To improve the local economy
3. To improve the local environment
4. To include the less well-off in our community
5. To foster the engagement of young people in the life of our community

By providing grant funding we will play our part in supporting the vitality of community groups and the ability of local people to be part of such groups.

Who and how will we support?

- The Council approves grants on a quarterly basis with closing dates for each quarter being end of May, August, November and February.
- As the Council wishes to focus on supporting local Community groups, grants for “national” organisations will be considered in March unless the organisation has strong local links or there is an overriding urgent need for a timely decision.
- Commercial organisations can apply, but Community groups will have priority for funding.
- The Council will not grant funds for political purposes, and only one grant will be made to an organisation in a financial year.
- The maximum grant we would normally offer for a project or organisation is £500. In exceptional circumstances the Council will support a substantial capital project with funding in excess of £500. Applicants for such a level of funding should seek a preliminary meeting with the Clerk who would advise on the information required in support of such an application.
- Grants for a specific purpose will have priority over those to support the general activities of organisations.

When deciding on the allocation of grants for we will give consideration to the following criteria:-

1. Is the organization based in our Community Council area or supports residents of our area?
2. Grants for a specific purpose will have priority over those to support the general activities of the organisation;
3. Will the grant enable more local people to take part in the organisation;
4. Will the grant enable the organisation to apply for funding from other organisations;
5. How will the grant enable the organisation to support one or more of the objectives of the Pontyclun Community Council.
6. Remaining budget and previous grants made to the applying organisation
