# **Cyngor Tref PONTYCLUN Town Council**

# Payments for confirmation

The Council's payments for August and September are provided for confirmation by members.

### Action – members to confirm payments for August and September

# Payments for authorisation

We provide floral arrangements across Pontyclun Community.

Our suppliers plant ahead and need confirmation of order now to allow for overwintering and preparation.

We have received a quotation of £1977.80 plus vat for next year's summer flowers.

This is for the same arrangements we had this year plus.

- 2 additional hanging baskets for town centre in Pontyclun
- Switch the small planter by Windsor to be pollinator friendly.
- Roughly 5-7% increase on the prices last year

Winter flowers are provided via daffodils which we have.

Whilst we need to confirm order now, delivery will not be till May 24 and payment is due at that time.

The planters for YGGG school and by library will be funded separately.

Action members to confirm order for 2024 summer flowers.

# **Cyngor Cymuned Pontyclun Community Council**

# **Update on Community Events**

The Council has committed to organising 3 large Community events in 2023.

The following are relevant updates on the current position for each.

Picnic in the Park – Event held July 23; now starting to plan for 2024.

Food and Drink festival – held Aug 2023; now starting to plan for 2024.

### **Christmas Fayre 2023**

- 2nd December 1.30-6pm
- In Car park, Café 50 and Community Centre
- Stall spaces at Heol yr Orsaf are all allocated, and stallholders have all paid their due fees.
- Music will be background music from CDs with local Choirs/bands to feature.
  - Neil Holley is providing the music support.
  - o Y Pant School will provide a choir/musician
  - The Rock Choir, Cor Tadau and RCT Community wind band are expected to be attending.
  - We have invites out with a few more local Choirs/bands.
- There will be some stalls in and around shops on the main street we have a couple of spaces available.

## Marquee events at Christmas

Councillors agreed to run events in the marquee on evenings of Friday 1<sup>st</sup> December and Sunday 3rd.

Friday 1st Dec – Twmpath in aid of local Eisteddfod fund raising. Being organised by Councillor Willis

Sunday 3<sup>rd</sup> December – "German" themed night being organised by Councillors Sue and Wayne Owen. Monies raised to go to Council funds to improve facilities/events.

### Christmas tree lights switch on.

This will take place on Saturday 25<sup>th</sup> November following similar plan to previous years though at the War memorial. Will include :-

- Small display from panto by St Paul's players and Carol singalong with Sally's angel's choir.
- Switch on lights on tree
- Vendors
  - Council selling lights wands etc.
  - o Red Sugar Rush sweets
  - o Gills amusements hot drinks, donuts and candy floss etc

The usual Christmas tree will also be put up at Giles Gallery. This year we are "selling" the decoration boards via the library in aid of the RCT Santa appeal. The library is 50 years old on 10<sup>th</sup> December so appropriate to give them an opportunity to showcase as part of this.

### Action - Councillors to confirm who will support this event.

### Christmas shop fronts competition

In past years the Council has run a shop front competition in various guises.

Would Councillors wish to run a further event this year and if so in which format?

#### Action - members to decide.

### **Christmas in Pontyclun**

We are now aware of a number of festive events in Pontyclun over Christmas and will try to market this as a Festival of Christmas.

- 1. Christmas tree lighting 25th Nov
- 2. Panto 27/29 Nov 1st Dec St Paul's players
- 3. Twmpath/Barn dance 1st Dec fundraiser for Eisteddfod
- 4. Christmas fayre 2nd Dec
- 5. Wreath making workshops for Hope rescue 3rd Dec afternoon.
- 6. German Christmas night 3rd Dec evening
- 7. Christmas nativity trail at Bethel 9-10 Dec
- 8. Christmas quiz night 9th Dec-Community centre (run by Pipeworks)
- 9. Santa Run 17th Dec
- 10. Christmas singalong Pontyclun RFC with Cor Tadau (open to all) 19<sup>th</sup> Dec
- 11. Christmas Carols Groesfaen (around Christmas tree) 19<sup>th</sup> Dec

The community group Christmas tree competition will also run throughout these 4 weeks.

### 2024 events

A reminder for 2024 Council organised event dates

Picnic in the Park - Saturday 8th June

Food Festival – Saturday 24th August

Christmas Festival – Light switch on Saturday 30<sup>th</sup> Nov

Fayre Saturday 7<sup>th</sup> December

In addition, we will arrange some activities for Easter.

There will also be the following events, where we will be supporting -

- Easter market 23<sup>rd</sup> March
- Annual walking Rugby festival Sunday 23<sup>rd</sup> June
- Urban markets fun day in July
- Fireworks display Pontyclun RFC 1<sup>st</sup> or 8<sup>th</sup> November.
- Remembrance Day 10<sup>th</sup> November

# Update on Town status actions

### Administrative actions

The staff are identifying the various parties which need advising of our Town Status and making changes to notices and materials.

We have already identified around 150 matters to action.

Some key actions which have been progressed are :-

- Bank account
- Google profile
- Twitter/Facebook profiles
- Work on Website has started, and "main" pages updated.

We are leaving the email address and social media handle changes to a later date as they will involve additional expense with regards domain names/email names.

The key decision to help progress this work is regarding the logo and how that should be updated going forward.

A simple update of our current logo to reference town/tref rather than community/Cymuned will only cost 15 pounds plus vat and can be accommodated within this year's admin budget. This is all that is required to replicate what we currently have.

The council did discuss changing the logo and if this was agreed now would be a good time to do so. Local firm could do this fairly cheaply for us if we had a design in mind.

### Action – members to confirm logo change requirements.

# Report from Town Status working group.

The Town Centre working group met on 30<sup>th</sup> October. Their report is provided in Appendix 4a.

# Celebrations to commemorate the 175<sup>th</sup> Anniversary of creation of Pontyclun.

The railway station opening in 1850 provided the catalyst for houses to start being built around it and effectively created Pontyclun.

This means that Pontyclun (and the railway station) are 175 years old in 2025.

It would be appropriate to commemorate this in some way and the Clerk is suggesting 2 ideas which will need planning ahead for in next year's budget.

- 1. To put information signs at the entrances to the Railway station outlining the history of railways in Pontyclun
  - a. Clerk has spoken to Network rail and Transport for Wales regarding permission.
  - b. Clerk will apply for a lottery grant with the aim of funding this, and TFW may contribute a small part.

- c. Cost of 2 bilingual notices could be as much as £4k depending on design/style.
- 2. To create information boards at the War Memorial providing the histories of the war dead commemorated there.
  - a. 2025 is also the 80th anniversary of the end of WW2 creating another reason to put up.
  - b. RCT CBC have started a project to document the histories of all their war dead (across all of RCT). This will result in a small plaque being added near to war memorials with a QR code to take you to the information.
  - c. Members may decide this is enough, however you may decide that it would be better to have the actual information on view via boards.
  - d. There are a total of 78 people commemorated plus another recently identified person who is not on the memorial. Providing this information in a bilingual manner could require 5-7 boards so possibly up to £14k.
  - e. If Council wishes to go ahead Clerk will start by aiming to apply for grant funding, if possible, though the translation and design work will probably have to be funded from budget as until this is complete, we will not know how many boards are needed.

Action – members to consider these suggestions and agree what they wish to progress.

# Pontyclun Town Council 'Town Status' Working Group

Minutes for meeting: 30/10/2023

Meeting was scheduled to be held in person in the office at Pontyclun Community Centre at 15:30 but was decided by all present to move meeting to The Boars Head. Members waited to ensure that there were no late arrivals before moving location.

#### Present:

Cllrs Jamie Daniel, Paul Binning, Carole Willis, Gareth Summers, Susan Owen, Sian Assiratti, and Wayne Owen.

### Apologies:

Cllrs Amanda Sparks, Rhys Williams, Kelly Sherratt.

Working group convener: Cllr Jamie Daniel

JD opened by thanking everyone present for their support in getting town status for Pontyclun and stating that he was grateful to have led this project from beginning to end. JD explained this committee will continue to exist to reap the benefits of this status for the Town for the indefinite future.

Purpose of meeting was for articulating the benefits of this new status and for implementing any relevant priorities into the budget for FY24/25.

Discussion of town improvement plan: Cllrs agreed to read the draft plan and to email Clerk with thoughts by the end of the week.

Cllrs want to investigate giving freedom of town to mark the launch of the new council, and to twin with somewhere else.

### Recommendations are:-

- 1. Ribbon cutting ceremony and plaque unveiling to Commemorate Town status
  - a. should be placed on community centre to mark the occasion of the launch on the 3<sup>rd</sup> of December, but also to say Town was created on 14<sup>th</sup> of September and by whom.
  - b. Bilingual slate plaque to be designed by PB, JD and CW.
  - c. Media and politicians to be invited
- 2. Schools should be involved in launch with competitions.
- 3. Expand Tara's role to town centre manager for community groups and firms.
- 4. Leaflet from all Cllrs to be circulated to all houses next year with in-depth update on activities and plan for the rest of the term.
- 5. Appropriate signage at entrances of Pontyclun community to be implemented.
- 6. Town function dinner to be held as a summer ball in 2024 to mark the launch of the town.

Meeting closed at 16:15.

# **Cyngor Tref PONTYCLUN Town Council**

### **Grant requests**

We normally would look at grants in December, however, as there will be no meeting in December this year the Clerk has brought forward the requests received to date for consideration at the November meeting. Other requests received by end November will be considered in January.

#### Members should note.

- Budget for 2023-24 is £5000. The sum is effectively £1250 per quarter.
- We have 3 new requests to consider.
- Our Policy favours requests for specific purposes rather than general running costs and we
  normally only fund National Charities where we have had evidence of local work/benefits.
   Our policy is to consider them in March after local causes have been funded unless there is a
  pressing immediate need.
- Council can decide.
  - Grant in full or part
  - Decline or hold over to another meeting (possibly pending further data)

## Requests

#### New requests

Our legal power for each request is S19 Local government (Misc. provisions) act 1976 unless marked otherwise.

- 1. Llantrisant Young farmers group
  - a. They are looking for a grant of up to £500 to support new members and encourage new ones.
  - b. This group has never asked for funds before. 20 of their members live in our Council area.
  - c. The grant would meet our criteria; however, we have a preference for spending on specific items.
- 2. Young at Heart (Tuesday Group)
  - a. They are looking for £150 to help with room hire and trip costs.
  - b. This group has about 10 members who live in our area.
  - c. In previous years we have granted £100 (they apply annually)
- 3. Miskin and Mwyndy WI (S145 Local government act 1972)
  - a. This group has 54 members all of whom live within our community area.
  - b. They are looking for up to £500 towards the cost of a celebratory event to Commemorate 75 years of their existence.
  - c. This group has not asked for a grant in the last 10 years.
- 4. Llantrisant Netball Club
  - a. This group with 260 members and 75 in our Community area are asking for a grant to help fund development and training of their volunteers
  - b. They are asking for up to £500 towards the total cost of about £1240
  - c. The grant meets our criteria
  - d. We gave then £200 last year for costs of attending a tournament

# Action - members-

1. Consider and approve/decline grant requests.

# Application to Pontyclun community Council from Miskin & Mwyndy Women's Institute (attachment)

How will the grant support the achievements of the Community Council?

We have listed below how Mikin & Mwyndy WI's application supports the objectives of Pontyclun Community Council.

- 1. To encourage the participation of residents in community activities: Miskin & Mwyndy WI is open to all those who identify as women aged 18 years + who live within the Pontyclun Community Council Ward. The purpose of the WI is to champion the education and rights of women and to come together to share experiences and learn from each other. As such the WI invites local (and wider) organisations/ groups to talk to the WI at its meetings to share their work and knowledge. Our meetings are held in Pontyclun Athletic Club and we participate in local events such as Pontyclun Remembrance Parade and local Christmas Tree Festival.
- 2. To improve the local economy: Miskin & Mwyndy WI pay to hold their monthly meetings, committee meetings and additional activities in the Athletic Club, Pontyclun. In addition, for any WI events eg. the Christmas party, Fish & Chip Supper, Coronation celebration, Miskin & Mwyndy WI try to use local businesses for catering and entertainment, so supporting the local economy.
- 3. To improve the local environment: The Womens Institute has a longstanding history of undertaking educational work and campaigning on a diverse range of issues. Over the last 100 years, WI members have campaigned on a range of issues, increasing public awareness and bringing about change. In May 2023, the WI launched its Clean Rivers campaign to clean up rivers and promote bathing water status as a way to achieve this. Miskin & Mwyndy support this campaign. Members have participated in the local Pontyclun community garden.
- 4. To include the less well off in our community: Miskin & Mwyndy WI is open to all women who live within the local area. During 2023 we have undertaken a food donation collection for the less well-off within our community and donated knitted scarves, twiddle mats etc to local groups.
- 5. To foster the engagement of young people in the life of our community: During the past year, Miskin & Mwyndy WI have paid two groups of local young people to entertain members with their music at meetings/ our events.

Dear

As the Chair and one of the Coaches at Llantrisant netball club, based in Llantrisant Leisure Centre & Llanhari school I am applying for some financial support from your organisation, Pontyclun Community Council.

Llantrisant netball club has been established since 1983 and celebrated 40 years this year. We are a community club providing opportunities for women and girls of all ages to train and play the game of netball.

Our club is run by volunteers. Coaches, umpires, team managers and scorers all coming from the local community. Over the years we have seen our club grow and grow we now have 260 members (209 Juniors and 51 Adults), 21 teams representing Llantrisant Netball Club in local leagues.

Netball is a great team sport that keeps women and girls active, at the same time providing opportunities for players to progress into the Welsh Netball player pathway. We also provide our members with the opportunity to become coaches and umpires supporting them through their development, I'm sure you can appreciate this comes at a cost, our aim is to keep our sport affordable for all, sponsorship and fundraising activities help us to do this.

Due to the number of members we are catering for we have had to extend our training times but unfortunately Llantrisant L.C was unable to give us the amount of court time we required so we are now regularly on a weekly basis training out of two venues, Llantrisant LC for 5.5 hours and another 3 to 5 hours per week in Llanhari school. As you can appreciate this takes a lot of volunteer workforce supporting all these sessions as well as the training we also have match days to support with coaches, umpires, team managers and scorers.

To date we have been very lucky with volunteers coming forward to help and support but to enable them to fulfil their role we need to ensure that they are trained and hold the correct qualifications and safety checks eg. DBS, First Aid certificate, coaching & umpiring, qualifications and be affiliated to the governing body. The club has always supported the workforce training program with the help from grants and sponsorship and this is something we would like to continue to do with your support.

This season we are looking to progress 3 more umpires to their Level C qualification ( $\pm 100 \times 3 = \pm 300$ ), 2 Netball Leaders ( $\pm 140$ ) and 2 UKCC Level 1 coaches to progress to UKCC Level 2 ( $\pm 2 \times \pm 400 = \pm 800$ ) a total of  $\pm 1240$ .

Developing our workforce ensures we can support and deliver quality sessions for our players from the local area for your information 30% of our members are from the Pontyclun / Miskin area.

If you require any further details, I am more than happy to do so. Any sponsorship, raffle prizes and monies raised will enable us to continue to provide development opportunities for our young women & girls.

I look forward to hearing from you, thank you for showing interest in us and our sport of netball.

Yours in Sport Vean Foster Foster

Jean Foster Chairman Llantrisant Netball Club Jean.netball@hotmail.co.uk

# Council Administration improvement action plan 2023-2028

As with any organisation we must prepare for the future and any changes in working practices and technology that arise over time.

As resources are constrained, we try to plan ahead to ensure a smooth implementation and have drawn up a plan for the next 5 years.

The Key areas for progress over the next 5 years of the Council are -

- 1. Implement change from Community Council to Town Council
- 2. Complete the work to log all recurring tasks into automated "to do list".
- 3. Where task too complex to detail in the to do list prepare a "How to..." guide for future staff to use
- 4. Complete restructuring of all tasks to allow for remote action of as much as possible.
- 5. Formalise contingency plans in case of emergencies.
- 6. Plan for smooth handover following next elections in 2027 and planned retirement of office staff from around 2028.
- 7. Implement regulatory changes as required.

# Implement change from Community Council to Town Council

- Spreadsheet being prepared listing tasks to be completed.
  - Where possible changes are implemented as part of normal routines e.g., when bill received, biller advised of name change for future.
  - Staff proactively making changes as part of workloads.
  - New materials prepared with "Town" as standard.
  - Key decision required from Council is on the logo as without clarity on change we may have to revisit actions again when this is decided.
- Anticipating changes completed by end 2025 except for external signage which will be changed when required due to wear and tear.
  - We may need to retain our existing gov.wales domain until all existing signage is replaced.

### Complete the work to log all recurring tasks into automated "to do list".

- Work is largely finished, now just checking over next 12m that nothing omitted.
- Adding new tasks as they arise

## Where task too complex to detail in the to do list prepare a "How to." guide

- By mid-2024 prepare full list of guides required and draw up a timetable for completion.
- 2024 we will plan to write detailed guides for
  - o The Community events we run.
  - The annual meeting & report
  - The budget processes.
  - o Internal and external audits

### Complete restructuring of all tasks to allow for remote action of as much as possible.

- Most office tasks are already accessible via robust remote methods.
- There are 3 major processes which still need action on
  - o HMRC payroll in plan to change wef new financial year in April 2024
  - Accounting software Company released an online version in 2022 and run this in parallel with downloaded software which we use.
    - Currently charge extra for online version. However, it is easier for them to administer and update the online version, so we expect them to demise the downloaded software in due course.
    - We will change at that time or sooner if we need to due to changes in circumstance.
  - The approval of invoices is a manually intensive process and one that is resource intensive (e.g., paper and printing)
    - Looking at options to automate this to reduce printing and storage space and streamline process.
    - Will need a view from Audit Wales as to how they view this.

# Formalise contingency plans in case of emergencies.

Clearly the recent pandemic has shown that we can cope with emergency situations.

Most contingencies are recorded in various locations, our aim is to formally codify all the various contingency options into one detailed guide.

We will aim to complete this by end 2025.

Plan for smooth handover following next elections in 2027 and planned retirement of office staff around 2028.

The next local elections will take place in May 2027.

In 2026 we will review the process that took place to deal with the Elections in 2022 with the aim of updating materials to reflect changes in Town status and following feedback from the new Councillors on improvements. How to guides will be written.

In 2026 and 2027 we will review the

- "To do list",
- "How to guides"
- Training plans
- Recruitment process

To ensure we are as ready as possible for retirement of Office staff which will happen from 2028-2030

# Regulatory changes

As the Council grows, we are reaching the stage where additional regulatory matters apply. In addition, the Welsh Government is also looking at regulation of the sector and how it can be improved.

In particular we will need to prepare a report annually as to how we are supporting the Wellbeing of Future generations act and move to financial reporting on a Creditors/Debtors basis.

- Wellbeing of future generations reporting will be included in our annual report from 2024.
- We will aim to deliver accounting on a Creditor/Debtor basis from 1<sup>st</sup> April 2025.
  - o Smaller Councils can report on a receipts/payment basis.

In addition from April 2024 there will be new legal requirements for waste management which we will need to plan implementation for and refine as we see how these work.

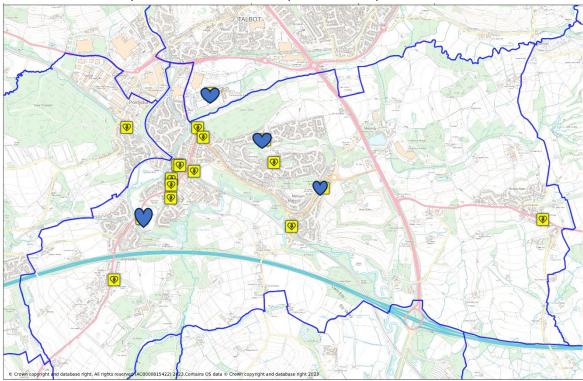

Action – Council to confirm plans.

# Defibrillator for Brynsadler

Earlier this year the council asked the Officers to identify the various locations in our area where defibrillators were sited.

This is shown on the plan below.

The blue hearts are only available whilst the host premises are open.

From this it is clear that there are 3 areas which would benefit most from a defibrilator are Brynsadler, Ynysddu and the Mwyndy end of Cefn y Hendy

To site one you need a power source, and this is often the main stumbling block for installation.

The Ivor Pub in Brynsadler has agreed to host a defibrillator, supplying the power needs. They would also help with fundraising

Funding can be obtained from the following sources

- 1. Public fundraising
- 2. Grants
- 3. We could fund from ward budgets in 2024.
- 4. We can use the CIL monies from Cefn y Hendy development.

Action – Council to confirm they wish to arrange a defibrillator for Brynsadler and how they wish to fund

# Interim internal audit report

The Council employs Auditing solutions Ltd a specialist auditing firm to undertake our internal audits.

They did their half yearly audit for 2023-24 recently and have produced a report for us.

No action points were identified in the audit.

Action - members to consider report and accept it.

# Reappointing auditors

The current individual who has been doing our audits for Auditing Solutions will be retiring after she completes this year's audit.

The Clerk has asked the company to advise plans for the future as even is our current auditor was not retiring it would be best practice to change individuals anyway at this time.

Clerk will update Council at next meeting regarding the position and any actions required

# Update on Ivor Woods trees

When we had our recent internal audit, we discussed the issue with our trees.

The auditor advised that she has been at other Councils who have given "licences" to residents/businesses to collect timber from their woods.

Essentially it is at the persons own risk and for manual tools only. For those wanting to use a chainsaw then a "licence" is only granted if they can show a valid chainsaw training certification.

As members will be aware we have recently cut 50 trees and our plan is to cut a further 70-80 next year and each year afterwards until the Ash has been removed.

Our issue over time is going to be removal of the trees. Access is very restricted and effectively by hand only (may be possible by horse, but even that might be difficult).

This would give us an opportunity to have some wood removed at no cost to us, indeed we could charge for issuing the licence as a way of raising some funds. For example

- Residents of Pontyclun area collecting for themselves free
- Residents from outside Pontyclun collecting for themselves £10.
- Commercial businesses based in Pontyclun £20
- Commercial businesses based outside pontyclun £50.

Action – what do members wish to do regarding this timber?

# Potential options for toilets at Pontyclun Park

We do not currently offer toilet facilities at the park.

Over the years a number of Councillors have asked about potentially arranging something, particularly over the summer months. We believe this would prove popular with park users and also those that use the adjacent Rugby pitches.

We know that to arrange something permanent would cost many thousands of pounds, which may not justify the cost bearing in mind that usage in winter is likely to be low. There is a possible option to provide summer toilets using "portaloos"

The council could hire a portaloo for 20 weeks running from late May through to start of October. These are the busiest weeks of the year for park usage.

The hire company would service it weekly, however we would need to arrange cleaning at a more regular interval.

The clerk has arranged quotes from one hire company to establish a base line.

Two levels of toilet – Event toilets and site toilets. Both are the same except that new toilets become event toilets and after some use become site toilets (building sites). Essentially event toilets will look nicer.

Costs are £35 pw for event toilets and £25 pw for site toilets with a delivery and collection price of £40.

Assuming we hired an event toilet for 20 weeks, cost would be £780 plus our cleaning cost.

### **Our servicing**

With the plans the council has for additional facilities and the likely absence over the winter of our caretaker for an operation our Caretaker team will need additional support over the summer.

Our suggestion is that we recruit someone for 9 hours a week for 20 weeks – 3 hours a day for 3 days a week.

This person would do things like

- Clean the park toilet.
- Litter pick the park/empty bins.
- Litter pick Car park/ Community centre area
- Look after War memorial area.
- Look after planters at Community centre/car park.
- Mow lawns at community centre

The time freed up for our caretakers would be used to deliver the additional benches, planters etc that we would wish to install.

9 hours a week for 20 weeks = 180 hours.

Cost would be about £2200 including some cleaning materials and toilet rolls.

## **Funding**

This funding would need to be found from Budget.

If funding was not available from budget, the provision of toilet facilities is additional infrastructure, so could be funded by CIL.

All the staff time would also be eligible for CIL funding as is being used free up time to deliver new CIL assets.

Action – do members wish to try and deliver toilet facilities at the park using portaloos as a pilot in 2024

# Community infrastructure Levy (CIL)

We have been advised that a sum of just over £58k is due to be received as CIL from the Cefn y Hendy development. This is the first payment from these works and we will probably get irregular payments going forward.

The council recently agreed a schedule of CIL works and we have also had requests from the public this year for actions which we have not been able to fund.

CIL monies can be used to fund new infrastructure and then help maintain it. It

The Clerk recommends that we use some of the funds to initially deal with the infrastructure which the Council has agreed to but is outside this year's budget. This will allow delivery of these projects to be brought forward with reduced impact on reserves.

Then once budget for 2024-25 has been set the Council to look at what we have not been able to fund in budget and allocate CIL funding accordingly.

## Projects agreed for funding.

- 1. 6 Dog poo bins
- 2. Bench and raised beds at the Hollies.
- 3. Fence and steps at Riverside walk
- 4. Design work for 6 History trails to prepare PDFs for launch.
- 5. Funding new planters by YGGG school and library in conjunction with Friends of Pontyclun and local schools

We have also agreed to part fund 2 benches following local fundraising which was proposed. We could use the CIL to buy these now.

- 1. Special design bench by Pontyclun FC
- 2. Bench on Cycle path (roughly behind Concrete canvas)

## Other quick impact actions

- 1. The area around the War memorial has been greatly enhanced in last year or so. However, one bench remains in poor condition and a new special bench should be added to that area.
- 2. As the CIL funds are from works in Cefn y Hendy it would be appropriate for at least some funds to be spent quickly in the area.
  - a. 2 new benches. Councillor Binning has already been in discussions with residents and 2 possible locations identified.
  - b. We could offer to pay RCT a sum to fund a bus shelter in the area. RCT will be putting 2 up in the area and we would fund a third.
- 3. As it can take 2-3 months for delivery of new benches Clerk recommends purchasing say 3 additional metal benches for installation in H1 2024. Final locations can be decided later however the following replacements have all been asked for by residents in the last 12m.
  - a. By Library

- b. Heol Miskin
- c. By Fire station

Overall, this would be 9 new benches to be ordered at the same time giving us an opportunity to save money on delivery and potentially obtain a discount.

Members should also note that we can use CIL money to maintain the assets purchased with CIL funds so we should set aside an appropriate sum to support future repair/replacement of the bins and benches bough now.

### Other possible actions with longer timescales

Whilst we would make longer term decisions regarding these funds after budget has been set the Council may wish to consider Electric Christmas trees for Cefn y Hendy and Ynysddu at this time.

This is because ex rental stock often becomes available to purchase cheaply in January so there may be an opportunity to acquire ahead of this discussion.

Action - Members to confirm actions now.

# **Cyngor Tref PONTYCLUN Town Council**

### **Independent Renumeration panel for Wales**

Each year the panel sets the renumeration for a number of Welsh Public bodies including Community and Town Councils

The final report is due to be issued in Spring 2024, however a draft report has been issued now to assist in budgeting for 2024-25

Members should note that there are no changes proposed from last year and the following is what the Council agreed for 2023-24:-

- 1. The Clerk will make arrangements to pay Councillors their £156 allowance towards costs without them requesting it.
  - **a.** Members are able to decline this payment.
  - **b.** For budgeting the Clerk will assume all those who declined in 2023 will do so again in 2024. If there are any members who plan to change their minds, please advise the Clerk accordingly.
  - c. Payments for those who took the payment in 2023 will be paid in April 2024.
- **2.** Councillors are able to claim the costs of consumables (e.g., toner) by making an expenses claim including submission of receipts.
- 3. Any Councillors who wish to claim reimbursement necessary costs in relation to care of dependent children and adults, subject to receipts, may do so. Please advise the Clerk as soon as possible so they can be budgeted for.
  - a. Up to now none have been claimed.
- 4. The Council agreed to reimburse Councillors for actual costs of
  - i. Travel & subsistence for authorised duties
  - ii. actual losses incurred by members by attending authorised duties
  - iii. subject to the limits described in the report.
  - iv. Up to now none have been claimed.
- 5. The Council has resolved not to offer any payments to Chair, Deputy Chair and Senior Councillors.
  - a. Note that even if Council resolves to make payments available individuals may decline to accept.
  - b. Chair max payment £1500
  - c. Vice Chair max payment £500
  - d. Senior Councillors with specific responsibilities (e.g., Working Group conveners) –
- 6. The Council declined to offer an attendance allowance.
  - a. This is allowed up to £30 a time.
  - b. Members claiming for financial loss would not be eligible and if we were to implement this.
  - c. We would need to develop and publish the scheme.

Members should be aware that all payments to Councillors are published annually on our website and reported to the Independent Renumeration panel.

Action – Council to confirm 2024 allowances regime for budget planning (subject to confirmation in spring)
